PRODUCT RANGE
2021-22

We are eminent supplier and are continually committed to provide the excellent quality Power Tools, Wheels, Marble Cutting Blade, Abrasives, Combination Stone etc., to numerous sectors and industries around the nation. The sourced products find extensive use in automotive, agricultural, refining, and many other industries. The range is developed by experienced and certified manufacturers, who utilize the advanced tools and technology in the fabrication process. Our array match up the standards and norms set by the company experts.

Our well developed products are properly kept in spacious warehouse, which is strategically located near the sea and the port. The perfect location of the unit enables us in safely dispatching the ordered products to patron premises within the prescribed period of time. And, with the help of experienced C&F Agents, the ordered products are safely loaded and dispatched with the attainment of client utter satisfaction.

Further, we have skilled team of packaging experts, who pack the procured products in quality proven packaging material like carton and corrugated boxes. The boxes are available in varying capacities of holding products. With all our efforts towards product on time delivery and its proper packaging, we have gained a leading edge over our competitors.

Our sourcing capabilities are increased by the support of experienced manufacturers. They assist us in supplying the premium quality range of Power Tools, Abrasives, Stone Cutting Blade, Marble Cutting Blade etc., to the customers in desired specifications and finishes. The vendors develop each range using advanced machines and technology.

The vendors are elected by our skilled procurement agents. They study their market credibility on below mentioned criteria: • Delivery time • Payment mode • Knowledge • Innovation • Client served • Technology and raw material used

Besides this, we have industrious and well-experienced professionals working with us who are helping us in sourcing the highest quality range of Power Tools, Wheels, Marble Cutting Blade, Abrasives, Combination Stone, Cup Wheel Brush, etc., in exact specifications demanded by the customers. And, with the consistent effort of our people and team work, we have shown a rapid growth in this market.
